PROFILE

Healthcare operations professional with 7+ years managing insurance eligibility, prior authorizations, and claims for U.S. healthcare providers, plus recent experience in outbound sales development. HIPAA certified, detail-driven, and fluent across CRM, billing-portal, and scheduling systems — looking to bring that same accuracy and follow-through to a *[target role]* position.

EXPERIENCE

Sales Development Representative

Jan 2025 – Present

[Company Name]

- Made *[X]* outbound calls per day to prospective customers, introducing products and services using a structured talk track
- Qualified inbound and outbound leads on interest, need, and purchasing potential, generating *[X]* qualified opportunities per week
- Identified decision-makers and logged contact details for structured follow-up
- Maintained CRM records for every conversation, follow-up, and outcome

Medical Assistant — Patient Scheduling / Insurance Verification / Data Analyst

Sep 2017 – Jun 2024

[Company Name]

- Verified insurance eligibility and benefits and processed prior authorizations for a caseload of *[X]* patients per week
- Documented patient exams, clinical history, diagnoses, and physician orders for full compliance
- Coded and finalized claims using ICD-10 and CPT, reaching *[X]*% first-pass approval
- Handled provider queries and scheduling to keep patient throughput on time

Customer Service Representative

Mar 2016 – May 2017

IQOR Philippines, Davao City

- Resolved customer service inquiries and processed insurance claims per policy terms
- Guided members through enrollment and maintained accurate member records
- Provided benefits information and routed complex issues to the correct department

Technical Support & Billing Representative

May 2013 – Jan 2016

[Company Name]

- Supported a U.S.-based telecommunications company with service activation, troubleshooting, and billing
- Processed payments, refunds, and replacements; coordinated technician dispatch
- Handled cancellations and returns while maintaining strong first-call resolution

Administrative Assistant / Cashier

Jun 2009 – Mar 2012

[Company Name]

- Managed scheduling, correspondence, and travel arrangements for office leadership
- Maintained filing systems, meeting minutes, and office inventory
- Compiled data for fiscal reviews and reconciled expense reports
